## The Criteria for Pictures in the Legion Magazine

The Legion Magazine will only publish digital pictures that are 1,350 pixels by 1,350 pixels and are in JPEG format.

Glossy photos /prints from a photo finishing lab will be accepted and should be mailed to NS/NU Command Office.

Light backgrounds are more acceptable, especially if the photo is to be published in black & white.

Magazine space is limited and only 2 pictures of different events per Branch or LA are allowed per issue.

If there are no news or photos submissions from a particular Command, then no space will be provided to that Command in that issue.

Please ensure the photos you submit are accompanied with text identifying the event and the names of the individuals in the photo listed as “shown from left to right..”

If the picture does not meet the criteria, at provincial/territorial level it will be sent back to you as not meeting the standards set by the Legion Magazine with an explanation.

If you have any questions please do not hesitate to contact me through Command Office.

Looking forward to being inundated with mail /e-mails from the all the Branches!

In Comradeship  
Rita Connors  
Interim Legion Magazine Correspondent
