Honorable Members,

Antenna Management Salutes you.

For 11 years we have supported non-profits to obtain stable telecom antenna revenue.

Branches open to new funding ideas might consider 5G - the new technology that will change the world. From a Legion perspective - \$ millions in your backyard.

Every building is a target for 5G antennas - [our video explains more - CLICK HERE](#) or go to YouTube and look for "NEW 5G REVENUE FOR NONPROFITS IN CANADA"

Members have only so much energy for service above self. 5G can use your experience to get funds to renew every branch. Revenue is location dependent.

We provide strategic planning, implementation and management.

No upfront funds are required. We share a percent of the received revenue based on total 5G rents under management.

For more, contact us at [legionfunds@antennamgt.com](mailto:legionfunds@antennamgt.com) or call 604-566-9811.

Every Branch deserves renewal - 5G can assist.

Your sincerely,
