Message:

Comrades: I have been approached by one of my customer's granddaughter who lives in South Korea. She has been given the title of "Ambassador for Korean Veterans" by the President of South Korea. She works tirelessly for the Korean Veterans.

Her name is Asia Lee Campbell and she is a middle grade student. She is the chairman of the 70th Anniversary of the Korean War Commemoration Committee. Now with COVID-19 amongst us, her committee is trying to reach out to every Korean Veteran in Nova Scotia to provide them with masks to keep them safe.

The reason she has chosen Nova Scotia is that her Dad and grandfather are from Cape Breton. An email was sent to Branches with no response due to people being cautious and fear of the email being a virus.

If you could help with the following information, it would be greatly appreciated.

Name of your Branch and how many Korean Veterans you have, I could send her the information. Asia will in turn mail the masks to your Branch and you could give out the masks without violating any confidential information of names and addresses.

In Comradeship
