Alert: Veteran protest groups

Dear Comrades,

We have received internal and external messages from individuals wondering if The Royal Canadian Legion is affiliated with any Veterans or groups that plan to take part in protest demonstrations in Ottawa over the July 1 weekend, and possibly beyond. The short answer is no.

This is also an alert that group organizers may be attempting to “recruit” new Veteran members, including at Legion Branches in at least one region. Branches should not become involved in this situation or help group organizers with their plans.

If your regions have any questions, they should follow the chain of command by contacting you, their Provincial Command for direction. As Provincial Commands, you are welcome to reach out to our National Headquarters for further assistance as needed, but as an apolitical organization we ask that you avoid engaging with, and do not assist, these protest groups.

We will send out any related updates or suggestions, should anything further develop on this front.

Enjoy your Canada Day! It is a day to stand proud and celebrate, and this special occasion will always transcend politics or agendas.

In comradeship,

Bruce Julian
Dominion President
