Hello Comrades,

To make the Convention weekend as productive as possible, four information sessions will be presented on Saturday afternoon, October 9th, from 1 to 4 PM, at Branch #26 Truro; where delegates register and receive their Convention packages.

The presentations are on topics that are often misunderstood:

- 1:00 – Business Insurance and the protection that it provides
- 1:45 – Meetings, how to be effective
- 2:30 – Poppy Trust Report, completion of the report
- 3:15 – the Command Benevolent Fund, insight to its use

It is planned that a maximum of 90 participants will be able to attend as it is assumed that COVID personal space restrictions will still be in effect during the Convention. To this end, Comrades interested in attending any session, must pre-register by email to: info@ns.legion.ca. No more than two Comrades per branch can attend any session and the Comrades at each presentation can change so that the people most interested, or who need the information, can attend. Bookings are being accepted now on a first to apply basis.

It is further planned to record the presentations and put them on the Command website after Convention but do not rely on this to get the information for your branch. Plan to have at least one Comrade attend and take notes.

Summary

- Date: Saturday October 9th
- Location: Branch #26 Truro
- Pre-register attendees: email: info@ns.legion.ca with the name(s) per session

I am certain that your branch will find the presentations informative and useful,

Glen Leduc
Chairman
Leadership and Development Committee
