Mr. Steven Clark  
National Executive Director  
The Royal Canadian Legion

Dear Mr. Clark:

**Re: The Royal Canadian Legion Class Action Against Aviva**

As you are aware, Lerners LLP has been retained to commence a proposed class proceeding against Aviva on behalf of all Branches of the Royal Canadian Legion in Canada, except British Columbia, whose coverage for loss of business income relating to the COVID-19 outbreak has been denied by Aviva. All Branches were insured under commercial insurance policies issued by Aviva pursuant to a *Provincial Command Insurance Program*. In particular, a policy was issued to The Royal Canadian Legion, Victory Branch #317, bearing Policy # 81699054.

All of the above noted policies were secured through Programmed Insurance Brokers Inc. (PIB).

Attached to this email is a copy of a Statement of Claim issued on June 22, 2020, which has been sent out for service on Aviva.

We are making concerted efforts to reach potential class members, and would be grateful if you would communicate directly with the Branches to advise them of this important development. Please feel free to direct any inquiries from the Branches to our firm as we are willing and able to assist them regarding their individual claims.

Please feel free to contact me if you have any questions regarding the contents of this letter.

Sincerely,

Kevin L. Ross
