Chairman Ritual Awards and Protocol

NS/NU Command, RCL

Subject: Meeting Reminder, Ritual Awards and

Protocol

Message:

Comrades: The next NS/NU Command Ritual, Awards and Protocol Committee Meeting will take place on Monday July 17. All submissions must be received, thoroughly completed, no later than 4.00pm, Friday July 7, 2023. This will allow the Chairman and staff opportunity to review and assist branches in correcting any issues prior to the committee meeting.

Submissions may be made by email, admin@nsnulegion.ca, fax 902-429-7481, or by mail at the coordinates above.

Please include a signed copy of the attached Major Application Checklist with all submissions.

Please note that Dominion Command requires that minutes for all future major award submissions must show the nominator, seconder and approval, and the appropriate signatures must be applied.

Please also ensure that for any applications requiring funds that the cheques are made payable to "Dominion Command" and not NS/NU Command.

MAJOR AWARD APPLICATION CHECKLIST

In an effort to assist in ensuring that applications are thorough and complete, the Ritual, Awards and Protocol Committee is providing a checklist to use when completing or reviewing a major Legion award application. This list is by no means a substitute for reading the information in Chapter Two of the Ritual, Awards and Protocol Manual, but rather a tool to ensure that all of the criteria outlined in the manual are present in the application. We ask that you utilize this Check List prior to submitting the application, hopefully this will assist in reducing major award applications being returned.

The Ritual and Awards Committee (DC) regularly reviews applications for Meritorious Service Medal (MSM), Meritorious Service Award (MSA) and the Palm Leaf to these awards. As these are the highest awards that the Legion bestows on its deserving members, the Committee has an obligation to maintain high standards for these awards. The Committee's ability to adjudicate these awards fairly depends entirely on the information provided in the applications submitted on behalf of the nominees.
