Comrades All:

I am most pleased to provide the information attached regarding the Canada Remembers Commemorative School Project.

This program has received high praise and acclaim and was recently approved by Dominion Command as an acceptable expenditure of Branch Poppy Trust Funds.

NS/NU Command Poppy and Remembrance Committee Chairman Don McCumber and Legion Leadership and Development Chairman Marion Fryday- Cook both undertook a complete review of the program and many of NS/NU Command Executive Officers perused the material as well as visited Thomega Entertainments' booth at the August Dominion Convention. All agree that the material and content are not only an excellent tool in perpetuating remembrance through our school system but could also be utilized in presentations to Cadets and other youth organizations not only leading up to November 11th but year round.

I strongly encourage all Branches of NS/NU Command to make use of this excellent resource in our commitments as Legionnaires to preserve the records and memories of those who have served and to see that such service shall not be forgotten by the nation.

Yours in Comradeship

Thomega Entertainment initiated the concept of this project, simply designed to get the message of the significant service and sacrifices by so many, into over 15,500 schools, libraries and related organizations, nationwide! The primary goal is to give as many students as possible, access to over five hours of engaging, informative, historical programming which includes an education guide that brings attention to the fact, that freedom in this country ... did not come free!

With your organization's participation, your Legion can help secure and distribute DVD copies to schools, libraries and our history teachers throughout the country. This project will be a valuable resource for generations of students. Through your Legion's Poppy Trust Fund, (or other), the Thomega Canada Remembers Documentary Series perfectly meets mandated requirements, so you have the opportunity for your Legion to extend the benefit to schools across Canada.

Thomega is proudly offering Royal Canadian Legions across Canada the opportunity to assist through their contribution, in distributing this significant programming to all schools, libraries and related organizations across Canada! Thus, keeping their own community legacy alive.

How Can Your Legion Help?

For \$349.00 plus applicable taxes and shipping, your Legion receives a hard cover Teachers Guide in addition to all six (current) programs on six individual DVDs (case and insert included). When your Legion secures the set with a bonus Educational Guide, Thomega will automatically "match" and send an additional program set and Teachers Guide to a school of your choice! Every school; we match your Legion's contribution!

Just fill out the requisition form and mail to Thomega Entertainment Inc., with your check and or money order. Please call for confirmation of the number of sets and amount, including taxes and shipping. Please allow for three to six weeks delivery.

About The Thomega Entertainment Canada Remembers Documentaries

Six Part Documentary Series and Teachers Guide

Thomega Entertainment's Canada Remembers Documentary series includes stories of achievements and sacrifices of Canadian men and women.

Thomega Entertainments Canada Remembers Commemoration Project, has made it a priority to successfully distribute its programming to thousands of secondary and elementary schools (including libraries, legions and other related organizations) by the fall of 2018.

About Thomega Entertainments, Canada Remembers, National Documentary Programming

Since 1997, The Thomega Entertainment Canada Remembers Documentary Series has appeared on National TV on many occurrences (Global, Vision TV, AMI, CityTV, APTN and CTV Regional). Canada Remembers also has been distributed as an educational curriculum plan to a few hundred schools nationwide.

Thomega learned that within the schools that made it a priority to purchase our program, the teachers were often left to use their own financial resources, making it challenging for each school or library to acquire access to the funding, especially with now more common yearly school budget reductions.

We have also been told by many teachers, especially in smaller towns, that sadly there is now less access to Veterans who are able to come to schools and meet with students in person. The Thomega Canada Remembers programming gives these Veterans a voice and helps keep their message alive, forever.

"We are so pleased with our Thomega Canada Remembers series and Teachers Guide. It has been well received by hundreds of students since 2014, who have found

the programming very informing and engaging. It reflects well on the sacrifices of our Veterans. Very well done, it will last for generations." *Teacher, Darryl Heskin Tommy Douglas Collegiate, Saskatoon, SK*

**Each school receives the "LIFE TIME RIGHTS" to present and show each of the six, 47 minute documentaries for EVER, into PERPETUITY.
