Dear Legion Branch President and Members,

On July 4 2018 the Royal Canadian Legion Dominion Command sent an All Branch Dispatch authorizing the AMP Society to solicit legion branches for donations using general funds. The dispatch message is shown below

“The AMP Society is creating a remarkable seaside park dedicated to remembering Canada’s fallen heroes.

Since relatively few people are able to visit the overseas memorials that have been erected where many young heroic Canadians made the ultimate sacrifice, The Atlantic Memorial Park project is creating a seaside journey of remembrance designed to bring Canada’s military history home.

Situated on 120 acres of publicly owned land at the entrance to Sydney Harbour, Nova Scotia, the Atlantic Memorial Park will attract thousands of visitors, young and old alike, to experience a unique trek through Canada’s military history from Ypres to Afghanistan, complete with replicas of overseas monuments.

The AMP Society is a registered not for profit organization. Public support for the project has been overwhelmingly positive, and Dominion Command has authorized AMP to solicit Legion Branches for donations using General Funds. Poppy fund resources are not to be used.”

It would be most appreciated if your Branch could provide a donation towards the creation of this iconic national treasure. To contribute please make donations payable to the AMP Society and mail to Robert Blinkhorn, Treasurer, 60 Mae Street Sydney Mines N.S B1V3J1. Tax receipts will be provided.

Yours Sincerely,

Brian Ferguson, AMP Society Planning Director (902-241-2438) Email: bdferguson@eastlink.ca
