**From:** Comrade Don McCumber

**Subject:** Poppy Campaign 2020 NSLC Operating Procedures

### Message:

Comrades: Please be advised of the following operating procedures that will be in place with NSLC for the 2020 Poppy Campaign.

In the interest of safety and in compliance with health protocols currently in place, Branches will not be permitted to have manned poppy distribution stations in NSLC outlets this year.

Lapel poppy trays with donation collection boxes, only placed at outlet checkouts, at the discretion of local NSLC Managers, will be permitted for this year's campaign. Branches will be required to replenish poppies and remove cash at least weekly, more frequently in high volume stores. Branches must provide store Managers with the Branch representative name and contact information. Branches must provide a letter to each store Manager stating that NSLC will not be held liable for the security of the lapel poppies nor the cash donations collected. Branches are to make arrangements, including dates and timings, directly with each store Manager.

Branches are encouraged to meet with NSLC store Managers well in advance of the campaign to ensure a smooth, co-operative effort.
