Dear Valerie,

We are receiving individual nominations from various Legion Branches. By agreeing to become a partner in the program you agreed to use the Excel Spreadsheets and it is up to your organization to collect all 100 nominations and then submit them as a complete package.

We do not have the resources to process these nominations on an individual basis, that is branch by branch. This was all set out in the instructions that were included with the package sent on 23 June.

If you wish to remain a partner and to see your nominees recognized we require you to use the Excel Spreadsheet provided. If this form is not used we will not be able to process your nominations.

Best regards,

Christopher
