

Command Convention

Saturday Afternoon Training Sessions

Hello Comrades,

It is our practice at Command Conventions to offer training and information presentations that develop personal knowledge and skills and allow delegates to brief branch officers and committee chairmen who could not attend.

This year on Saturday May 20th, we are offering:

2:00 – 2:30 How to Conduct a Meeting – Information useful to all members who participate in legion meetings at district, zone and branch levels.

2:30 – 3:15 Questions and Answers on the Poppy Fund, Command Benevolent Fund and Veterans Outreach -

3:15 – 3:45 Honour and Remembrance – Renewing our Purpose and Objects - an examination of how we accomplish these goals as we approach 100 years of serving veterans

3:45 – 4:30 Orientation for District and Zone Commanders – a must for new and returning district and zone commanders and interesting for any delegate

I encourage your delegates to attend as the comrades presenting are acknowledged leaders in their fields.
