Subject: Website Updated

Message:

Comrades: It is with great pleasure and relief that I announce that our website is back up and running at full speed. We faced a few challenges with this endeavor as we had to hire a new Webmaster and re-write the entire website in a more user-friendly web language.

I would like to thank all of you for your patience as the Executive Director worked through finding a new webmaster and getting this project under way. I would also like to thank Andrea Lawless, our newly contracted webmaster, for her diligence and hard work in rewriting the website and making it look professional and modern.

In the coming days, you will see links being added to incorporate our new social media sites to give even more access to members and the community alike.

Take the time to familiarize yourselves with the new website. You will find that it is now just as easy to view on your phone as it is on a monitor.
