

The Last Day in the Dirt

The last day in the desert
The last day in the dirt
I never wanna come back
To this barren land again

Many cold days
Many sleepless nights
I don't want to fight in
This war anymore
I want to rest at last

I want to come home
To my family that waits for me
But I must fight
I'll be home soon enough
To kiss you asleep
I love you my darling
I'll come home safe
