[All you need to know about Centenary Memberships](#)

Key Points:

- All **new** 2026 members are classified as Centenary Members.
- It is **not** a membership category – it is an identifier for the purpose of tracking our Centenary Members.
- Even if a branch already knows the category all new members are identified as Centenary.
- The membership category is to be updated through the **data change form on the portal**.
- Centenary members are not voting members **until the category is assigned through the data change form through the portal**.
